Yizkor 5781

The Shul compiles a list of names of departed loved ones that will be memorialized as part of the Yizkor service on Yom Kippur, Shmeni Atzeres, Pesach and Shavous.

This year names will not be read at the Yizkor service on Yom Kippur and Shmeni Atzeres in order to shorten the davening.

To place names on the list you must fill out this form each year.

Names will not be carried over from year to year.

The K'el Moleh specifies the giving of Tzedakah in memory of those for whom you recite Yizkor.
