

Dear Mispalilim,

As many of you undoubtedly know, the Baltimore Jewish Community participates in a State of Israel Bond Campaign each High Holiday season. In 2016, 27 congregations in our region from across the religious spectrum raised over 12 million dollars in bond investments for Israel. This amount is doubled for Israel through a matching partnership comprised of Bay Bank, The Associated, The Haron Dahan Foundation and Sandra and Malcolm Berman.

This year, The Shul at the Lubavitch Center will be joining the campaign. Although Israel Bonds will not be appealing from the pulpit, each member will receive a response card by mail along with investment information, prospectus and rates, and a return envelope.

Please respond directly to the bond office at 410-484-6670 x1. Details can be found online at www.Israelbonds.com.

Thank you and Ktiva V Chatima Tovah.
